

Dr. B. P. Agrawal Shiksha Niketan

Annual Report (2022-23)

A great saying goes so "Education is the passport to the future, for tomorrow belongs to those who prepare for it today!".

DBPASN has been stepping from success to success all through the years since its humble beginning in 2016 and the past year has been no exception. We have done excellently in academics and non-academic areas. At this juncture, I wish to put on record my sincere gratitude to the management, staff, students and the PTA for your kind support and guidance.

With great pleasure, I present in a nutshell the highlights of the past academic year 2021-22 as follows:

Academic Excellence:

"Excellence is an art won by training and habituation".

The system of education in DBPASN, as you all know, is a blend of theory and practice in the right proportion to arrive at a comprehensive curriculum.

Teacher Enhancement Programs:

"It's the teacher that makes the change, not the mere classroom".

We believe in equipping teachers to prepare the students for the future and to update their knowledge. So the school arranges a teacher orientation program every year and in 2021 it was in virtual mode directed by CBSE and other agencies.

Regular staff meetings are conducted to evaluate our quality of performance and plan for the future with more innovative methods of teaching and learning programs.

Examinations:

Periodical assessments and evaluations are conducted for the students and their progress are informed to the parents frequently. Subject enrichment activities are done by the students and teachers evaluate these as the internal assessment.

Co-curricular Activities and Celebrations:

0000 School not only focuses upon the intellectual development of our future generation, but also takes care of their emotional and behavioural development in their early ages of development by inculcating sound moral values, responsibility and social awareness. We are doing it through different co-curricular activities and school celebrations.

World Environment Day:

Nature holds the key for the aesthetic, intellectual, cognitive and spiritual satisfaction. Our environment day celebrations this year was led by our Director, Dr. Vishal Agrawal, his message revealed the importance of being eco-friendly. Students exhibited eco-friendly materials and models. The Principal encouraged the students to plant trees in their homes.

Teachers' Day:

“The best teachers teach from the heart, not from the book.”

On our teachers' day the students recollected the contributions of the teachers in shaping up their lives and thus creating the new society. With due respect, the school paid homage to Dr. S. Radhakrishnan, the icon of every teacher.

Children's Day:

Children are the beautiful flowers of the school garden. We celebrated the Children's day on the Jayanti of Chacha Nehru, November 14. In the virtual assembly, the teachers entertained the students with variety of programs including games, dance, skit etc. A fancydress competition was conducted for the junior students.

National Days:

Other National days like Independence Day, Yoga Day, Republic Day, Children's Day etc were given due importance and celebrations were held to remind the students of the relevance of those days.

Clubs:

Literary club, Maths club, Science club, Arts and Crafts club etc were formed to create a dedicated study and interest in students in particular areas where they have more interest.

School Assemblies:

School Assemblies provide ample opportunities for all our students to come forth with self courage and express their abilities of public speaking, reading, thought sharing etc.

Extra-Curricular Activities:

Keeping in view the all round development of the students extra-curricular activities are also given due importance. Dance, music, drawing, gardening, Teakwondo, cooking without fire shows are given place in the academic planning. Students choose their activities and get trained in various levels.

Orientation Programmes, Seminars:

Students are given orientation programmes and seminars in order to cope up with the changing situation and equip them for the future with a strong valuebased foundation.

Career Guidance and Counselling:

Experts from counselling institutes provide the necessary support for our students. They help the students to the challenges of life. Career guidance is organized for the students at the personal and professional level to choose the right career which is most important for their future.

Parent-Teacher Association:

We have a strong support of our parents which we cherish every year. The PTA general body meeting is an occasion to acknowledge their service to the school. We had many virtual meetings with the parents to discuss about teaching learning process. Also days are set apart for parent teacher interaction in which parents are called class wise to meet the teachers.

Thank you.
